

Dear Customers

To those who work in medical field, we are grateful for your efforts and hope early recovery for patients of COVID19.

Please note that our GYOZA IT.® will re-open from June 1st with some changes to the menus, business hours and a reduction in the number of customers served at one time. In addition, there will be a take-out service and delivery available.

We wish you will enjoy our new style of service.

The health of our customers and employees is our first priority, and we operate with a high standard of cleanliness and hygiene.

Best Regards,
